PLUTO TRAVELING --

STAY RADICAL!

One of the 'most' powerful celestial breezes of the Year is indeed Pluto's, traveling to the Aquarius zodiac sign. However, this was only a sneak peak of what comes in 2024 and continues for 19 Years, while Pluto hangs in Aquarius. Remember 1777? :) That's the last time Pluto occupied this zodiac sign. We are not really experienced with this kind of energy, right? Saturn was just leaving Aquarius, entering Pisces: shifting our attention to mental/emotional health, dreams, the spirit, time management, empathy and compassion, quality over quantity - staking up individual and collective responsibilities. Pluto in the Water Bearer brought demobilizing waves into the system. Pluto is associated with passion, deep impact, explosion, maximalism, massive, long-term transformation. What Pluto loves the most is ripping things apart from the inside out. That's when the chance comes to create something new! Making space by leaving from where or what (or Who) we need to. Saturn's truth is seeing things for what they are, in a mundane or material sense. Pluto's truth sits much deeper, shining light on our darkness. Aquarius, governed by Uranus is break-throughs, scientific, medical, or technological, and the needs of society at large. The water bearer symbolizes equity, humanity, and collective care. Aquarius-themes are purification, liberation from limitations, openness of the heart, the ease of existence. This is an unfolding process on all level, as Pluto is very slow-moving, don't wait for something big or sudden from the outside to happen. Check your birth chart, the house falling under the Aquarius zodiac will be the area of your life where you can expect the touch of Pluto's Artwork. The question is: resistance or collaboration with the Dragon? The Endgame will be about trying to work with this opportunity of rebirth and destiny, or to play victim. The key to self-transformation lies in using the power of the ability to expose our dark side and strengths. Change and metamorphosis are happening on the level of the Self, of Mankind, of the World and Mother Nature. Best advice on how to take part? Start within!

Pluto will be in Aquarius from March 23 through June 11; January 20, 2024, through September 1, 2024; and November 19, 2024 through March 8, 2043.

MARLA AND ADONIS GREW UP IN RETHIMO, CRETE AND USED TO GO TO SCHOOL TOGETHER. THE 2 GREEK SCHOOLMATES LATER MOVED TO DIFFERENT COUNTRIES, THE NETHERLANDS AND GERMANY. YEARS PASSED. THEN MARLA GOT OFF THE BUS AT OZORA AND NOTICED A GUY LISTENING TO MUSIC IN THE RAIN. A MOMENT LATER, MARLA AND ADONIS RECOGNIZED EACH OTHER LAUGHING, HUGGING IN DISBELIEF AT THE TICKET DESK!

"It's been lit now, and that eternal flame will never go out. And what we're seeing now is the world, and when we started, there were 20 people on a beach..." - RAJA RAM

Dear Ozorians, we have come together in record numbers, to reconnect with and cultivate our truest nature as interconnected individual humans, born out of life on this planet's unique expressions of the infinite creative potential. As such, make this a sacred offering, one where you create what you would like to see in the world around you.

We asked 3 Ozorian music heads to highlight 1 veteran, 1 debuting, and 1 real curiosity this year. The Dome's MARCO MENTAL says:

New under the radar: **AZU TIWALINE:** a jewel from the Sahara. She explores the magical "intersections of Berber music, dub culture and techno hypnosis". In a few years she managed to positively surprise a lot of different scenes. This year it's her baptism with the core of European psychedelic festivals, taking shape in a killer tripler.

Boom, Orora, MoDem, Friday The usual suspect not to be missed: **BAYAWAKA:** What shall we tell you that you don't already know about Bayawaka? Don't miss another of his blissful groovy, bass sets at the Dome! Sunday

A stellar first-timer **DEEPCHORD:** Rod Model has been a legend for the last 15/20 years. Straight out of Detroit, out of that movement that was sonaria for a wide range of electronic music we experience today. With more than 50 releases under various aliases and styles, he hits OZORA festival for the first time in history. Thursday
